#### UPDATE ON CAMEROON AND CONGO PROCEEDINGS

Sundance Resources Ltd ("**Sundance**" or "**Company**") wishes to provide an update on the Company's legal proceedings against the Republic of Cameroon ("**Cameroon**") and the Republic of Congo ("**Congo**").

The hearings before separate tribunals constituted by the International Court of Arbitration of the International Chamber of Commerce ("**ICC**") and the post-hearing submissions between Sundance, Cameroon and Congo have been completed.

Upon completion of the briefings, the ICC tribunals did not commit to a time when its decisions on the two separate cases brought by Sundance – against Cameroon and against Congo – are expected.

Sundance has since been advised by the ICC that the decisions (in the form of arbitral awards) are not expected before 28 November 2025 for the Congo case and 31 December 2025 for the Cameroon case.

The Company will keep shareholders updated including once the ICC hands down the tribunals' separate awards.

In the meantime, Sundance thanks shareholders for their ongoing patience.
